and what have you

by BOB CRAIG

The following editorial appeared in the Wednesday morning edition of the Abilene Reporter-News and because it is the most pertinent editorial I have seen on this new Cuban crisis it is being repeated here.

"What will Russia do?"

"That was the foremost question as America's armed might responded quickly to President Kennedy's military blockade of Cuba."

"The answer will not be long in coming. Part of it may be apparent by the time this sees print."

"The key lies in whether Russia is willing to go as far as President Kennedy has said the United States will, if compelled."

"That is to nuclear war."

"A look at the choices open to Russia helps to guide speculation on the Kremlin's future moves."

"Russia could yield and fold up its tent and go home, behind a face-saving barrage of propaganda. This is most unlikely."

"Russia could openly defy the blockade, fire on our ships, bring their vast number of submarines into play and open a nuclear holocaust. This, too, is hardly likely. This goes back to that key question of how far Russia is willing to go."

"Russia could create a crisis elsewhere, either in Berlin or South Viet Nam, and do it immediately in an effort to siphon off our military strength from the blockade and distract American and world attention from Cuba."

"This seems like the most likely action for the Communists to pursue."

"President Kennedy matched his words with action. Indeed, the action had been underway for some hours before he addressed the nation at 5 p.m. our time."

"On that day, Monday, the United States reached the end of its patience which had been mistaken in the Kremlin and in much of the world for weakness."

"For 16 years since the end of World War II the Soviets had been bullying the free world and winning objective after objective through threat without spending one Russian bullet or one Russian life."

"Now, at last, the enemy is told that his and all other ships will be stopped en route to Cuba, searched and turned back if they bear offensive cargoes of war. And if this is defied, the ships will be sunk."

"At the same moment our ships were on the sea frontier prepared to do just that."

"The next move was the Russians'. War, or sanity?"

If this action by President Kennedy should bring on a total war it will be because the men in the Kremlin desire it and it will be a war that is unavoidable regardless of the actions we take unless it be complete surrender."

Probably the most amazing thing about this current crisis is the almost complete lack of panic on the part of the American people. The only thing that can likely account for this fact is that we have been living so long on the brink of disaster."

Although the Cuban crisis has shifted the talk away from last Friday night's ball game with Stamford, it was one of the best exhibitions of high school football that this writer and many others have seen in a long time. It seems such a shame that the boys could hold on to their lead (Continued on back page)

Mrs. Patterson Holds Lead; Others Change

This past week showed many changes in the standings of contestants in the Herald's "GOOD - WILL" subscription contest ending Friday, Oct. 19.

Mrs. Wanda Thompson flashed back into second place determined to fight to the finish.

Mrs. Curtis Carter, a dark horse, rallied to the front to take position no. 3 and from all indications she is going all out to retain that position.

The changes that have taken place are certainly proof that

the grand awards can go to any of the enrolled workers. Yes, anyone can win. BUT only the candidate with constant drive and determination will come out on top. All prizes are well worth working for—or even the 20% commission which has been paid throughout the contest.

Votes Decrease

Friday is the end of the second period. The votes will drop in value again for the last week of the contest. All subscribers are urged to get their subscriptions in as soon as possible to give their candidates the most possible votes.

Your subscription could be the difference of FIRST or SECOND prize for your favorite candidate.

Constant contact is very important in a campaign of this type, and it will be interesting to the public to know, the advice given by the campaign manager to candidates in ironing out their problems and in helping them in their efforts to make not only good candidates but to conduct a winning drive.

CANDIDATES! See ALL of your prospective HERALD readers.

YOUR EFFORTS as an individual during the remaining week of the campaign will determine whether you WIN or LOSE the \$750 First Grand Prize.

Every candidate should make every minute count because . . . THAT LAST HOUR COMES TOO SOON.

Ministerial Group Makes Plans for Annual Services

The community thanksgiving service will be held at First Methodist Church on Wednesday evening, November 21. The planning committee, under the leadership of Spencer L. Liles, pastor of the Foursquare Gospel Church of Hamlin, met this week to arrange the service and make the preliminary plans.

Rev. Liles said "It is the desire of the Alliance to reach everyone in the community with this community-wide service and thereby show to one and all the unity which does exist under God."

Rev. Liles also mentioned "We will have more information concerning the service and its participants in another edition of the Herald." But he continued, "this is now sent with the prayer that everyone shall underline this date, November 21, on the calendar and gather for this service of Thanksgiving unto God."

COTTON RECEIPTS UP AGAIN AT DISTRICT CLASSING OFFICE

Despite the unfavorable weather conditions, cotton receipts from District 2 increased last week. According to B. B. Manly, Jr., Officer-in-Charge of the USDA's Cotton Classing Office in Abilene, around 14,000 samples were classed from that area. The portion of District 2 served by the Abilene Classing Office is composed of the Counties surrounded by Dickens, Sterling, Runnels, and Jones Counties.

Grades continued to run a-

bout the same as the previous week. Sixty-five percent of the cotton classed was classed as Light Spotted, 32 percent was Spotted and 3 percent was in the White Grade category. A further breakdown shows Middling Light Spotted as the predominant grade with 43 percent of the total. Strict Middling Light Spotted made up 4 percent, Strict Low Middling Light Spotted, 14 percent; Low Middling Light Spotted, 4 percent; Middling Spotted, 19 percent; Strict Low Middling Spotted, 11 percent; Low Middling Spotted, 2 percent.

Staple length also held about the same with 18 percent, 29/32 71 percent, 15/16; 9 percent 31/32 and 2 percent, 1-inch and longer.

Hamlin Herald Begins 57th Year With This Issue

This week begins a new year for the Hamlin Herald as the local newspaper goes into the 57th year of publication.

The newspaper was established in November, 1905. The earliest edition now on file was published October, 1906 and lists D. M. Norwood as proprietor.

In May, 1914, the establishment was purchased by the late Mr. and Mrs. Bowen Pope who carried on the operation until their retirement in 1945.

The paper was then purchased by Willard Jones and his brother-in-law H. G. Lackey. Jones' son, June, was in charge of the publication until 1957 when he and his family moved to Abilene. Willard Jones continued the operation until April, 1960, when the present owners, Pied Piper Publishing Co., Inc., with co-owner, Bob Craig, as editor-publisher assumed the operation.

Mr. and Mrs. A. A. Bradley of Route 3, Hamlin, are parents of Ronnie Dale Bradley, born Oct. 15, weighing 6 lbs., 6 oz. Other children are Gladys Diane and John Marshall.

MARGARET MABERRY
... Band Sweetheart of 1962

MARGARET MABERRY CROWNED BAND SWEETHEART FRI. NIGHT

Margaret Maberry, daughter of Mr. and Mrs. Willard Maberry, was crowned sweetheart of the Hamlin High School Band in halftime ceremonies of the Hamlin - Stamford game here Friday evening.

Miss Maberry and the other nominees were driven onto the field by Ronnie Flenniken and O. H. Weaver Jr. in two con-

vertibles furnished by Conally Ford Sales. Other nominees were Dotty Albritton, daughter of Mr. and Mrs. Henry Albritton, Joyce Bingham, daughter of Mr. and Mrs. Carl Bingham, and Sunny Teague, daughter of Mr. and Mrs. S. A. Teague.

Miss Maberry was crowned by Drum Major Gary Jay, son of Mr. and Mrs. Eddie Jay. A senior student, she is president of the Pied Piper Band, a majorette, plays the oboe in the Piper concert band and has participated in the band program for eight years.

The band formed in the center of the field and played "To-night" from the West Side Story as the queen nominees were brought onto the field.

Art Display Open To Public Today At Junior High

Reproductions of works of artists of many generations will be displayed today (Thursday) and Friday at the Hamlin Junior High School Gymnasium.

The collections consists of reproductions of 150 Masterpieces representing the French, Italian, Flemish, English, Dutch, Spanish, German and American Schools of Art. Most of these are the Masterpieces studied by the schools.

The display is open to the public from 9:00 a.m. to 4:00 p.m. on the days mentioned. The admission charge of 15c for children and 35c for adults will be used for the purchase of pictures for the classrooms.

The display has been arranged by the principals of the schools and includes famous portraits, landscapes, marines and pastoral scenes in the colors of the original canvases.

WITH SCREWORM ERADICATION LIVESTOCK MEN URGED TO USE GOOD MANAGEMENT PRACTICES

The chairman of the Jones County Animal Health Committee has said that livestock producers and sportsmen who have invested in the Southwest Screwworm Eradication Program should now insure their investment through some good management practices.

Charlie Myatt, who has spearheaded the fund drive currently under way in this county, told producers that the success of the program is dependent not only on the release of sterile screwworm flies, but also on the detection and proper treatment of all screwworm cases and on preventive measures on their part.

Myatt said that reports re-

ceived by officials in charge of the eradication program indicate that some producers are relying on fly release to do the entire job and are not inspecting their animals and treating the screwworm cases. Some livestockmen are even reported thinking that fly release makes this chore unnecessary. The officials say this is like installing an electric fence, but failing to keep the gate closed or like buying medical insurance, but not taking any precautions with your health.

"It was never intended for fly release to accomplish complete eradication by itself," the officials said. "It must be accomplished by preventive spraying, wound detection and treatment and control of animal movements from screwworm-infested areas to screwworm-free areas."

Stonewall Gold Star Farmers Announced

J. G. Simmons, District Agent of Vernon, announced Tuesday that Brenda Dalby, Aspermont, and Stanley Diers, Old Glory had been selected as the Gold Star Girl and Boy for Stonewall County. Usually this is not announced until the Annual 4-H Banquet, but this year, it was released earlier by the District Agent.

The Gold Star Girl and Gold with 100 more award winners on November 12th at the Annual Stonewall County Banquet, sponsored by The First National Bank of Aspermont.

North Central Baptist Revival To End Sunday

The Rev. Lewis Price, pastor of the First Baptist Church of Aspermont, will close a week's revival here at North Central Avenue Baptist Church Sunday evening.

Morning services are held at 10:00 and prayer services are held at 7:00 p.m. followed by the preaching service at 7:30 p.m.

The Rev. T. M. Harrell is pastor. Everyone is invited.

Pipers Travel to Winters Friday

The Pipers will take on their second undefeated powerhouse of District 6-AA, Winters, Friday night in a game that they must win to retain a chance at the title. Kickoff time for the contest to be played in Winters will be 7:30.

Reserved seat tickets went on sale here Monday.

While Hamlin was losing their bid in the waning minutes of play Friday night to unseat the District favorite, Stamford, Winters was defeating Haskell on their own field.

The Pipers will be matching

their 5-1 record against the Blizzards 6-0 record.

Scouting reports by the Hamlin coaches reveal that Winters will field a big line and a fast backfield with three of their four backs running on their sprint relay team this spring.

The probable starting lineup for the Blizzards will be as follows: 190 pound left end Johnny Hopper; 175 pound left tackle Dan Roberts; 195 pound left guard Johnny Mathis; 165 pound center Roland Tekell; 170 pound right guard Tommy Burton; 210 pound right tackle

Eugene Mathis; 170 pound right end Mike Mitchell; 150 pound quarterback Tommy Alfrey; 160 pound halfback Denny Aldridge; 160 pound fullback Steve Grissom; 150 pound wingback Tommy Young.

The coaches expect a strong passing and running attack from the Blizzards.

The B game scheduled here Saturday night with Albany has been postponed until a later date.

Leading for three quarters, the Pipers finally bowed to overwhelming depth in the final period here Friday night as they fell to the Stamford Bulldogs, 20-7. Scoring in the opening minutes of the game the Pipers held the Bulldogs scoreless until the third quarter and held the lead until the last quarter.

Although the Bulldogs gained nearly twice as many total offensive yards as the Pipers, it was the accurate punting of Van Newberry that kept the Stamford eleven in the hole and probably permitted the Pipers to hold their lead as long as they did. Van punted three times and two of these were put in play inside the Bulldog ten yard line.

The Pipers opened play with Van returning the kickoff from (Continued on page two)

HAMLIN STUDENTS TOLD TO MAKE SAFE DRIVING A HABIT

Safe driving must be made a personal habit of every motorist if the slaughter on America's highways is to be curbed, Joe Smetana, Safety Director of the Texas Farm Bureau Safety Department, declared Thursday as he spoke prior to conducting driving tests at the Hamlin School.

"Excessive speed is the greatest single cause of automobile accidents," Smetana said. In the demonstration which followed, he pointed out the conditions under which even 20, 30, or 40 miles per hour can be excessive.

Smetana added, "when drivers know the true facts and base their driving on those facts, highway accidents will drop sharply."

The much-talked-about mov-

ie, "Death On The Highway" was shown to the students, the teachers and guests.

Students and teachers took part in the tests which were conducted in a specially equipped car. The test driver was signalled to stop by an electrically controlled detonator, the shell was fired, the street was marked with yellow paint. A second bullet was fired as the brakes were applied and a third after the car came to a complete stop. Distances between the spots were carefully measured to determine in feet and inches how far the car traveled before the driver applied the brakes, or the reaction distance, and how it traveled after the brakes were applied, or the braking distance.

Smetana emphasized the fact that a driver who observes the speed laws carefully is not a safe driver if he neglects many other items such as proper signalling for turns, approaching an intersection in the proper lane for a turn, the proper way to turn around, and many other things which are essential for safe driving.

Thursday's safety demonstration which was brought to Hamlin, under the sponsorship of the Jones County Farm Bureau is part of a long range program of traffic safety now being conducted by the Texas Farm Bureau Safety Department.

Livestock Men Offered Another Chance for Testing

Livestock producers in Jones County who missed the Brucellosis testing crew when they were in Jones County should give him a name to one of the in-upt men or your County Agent at your first convenience.

A member of the Brucellosis testing crew will be in Jones County in the next two weeks to test all cattle which were missed during the first go-around, according to word this week from C. County Agent, Kirby Clayton.

Retest on all herds which had reactions should start in about 6 weeks.

For further information on the Brucellosis testing program, contact your local County Agent.

Lions Club Nets \$250 on Broom Sale

Close to \$250 was made by the Hamlin Lions Club during their annual Broom Sale held here Tuesday. Brooms, mops, wrapping paper, garden rakes and other household supplies made by the Lighthouse for the Blind in Fort Worth were sold by the membership.

Jones County Farm Bureau Elects Directors Sat.

The Jones County Farm Bureau held its annual County Convention Saturday night, October 13, in the Anson High School Auditorium.

Four directors were elected for a three year term. They are as follows: Precinct 1—Bill Pritchard; Precinct 2—W. L. Jensen; Precinct 3—Norman Sloan and Precinct 4—W. C. Thompson.

Eleven County Resolutions were adopted and will be sent on to the State Convention, which will be held in San Antonio, November 11-13. The delegates selected to represent the local organization this Convention are as follows: Mr. and Mrs. M. E. Carothers, Mr. and Mrs. George Harrell, Mr. and Mrs. W. N. West and Mr. and Mrs. Sam Carnes.

The fall revival now in progress at the Faith Methodist Church is featuring the Rev. Raymond Riley, pastor of the Epworth Methodist Church in Abilene, as the evangelist.

The services will continue through the Sunday evening service at 7:00 p.m. Weekday services are at 10:00 a.m. and 7:30 p.m. A covered dish dinner will be served at the church at noon Sunday.

The Rev. Fred Brown, pastor, extends an invitation to everyone to attend.

MRS. CARTER WINS THIRD WEEKLY PRIZE—Mrs. Curtis Carter, left, one of the contestants in the Hamlin Herald's Goodwill Subscription campaign, is being fitted with a ladies' Elgin wrist watch by I. R. Witt, right, owner of Witt Jewelry here. Mr. Witt is one of several local businessmen who are offering quality merchandise as prizes to the top contestant each week. Mrs. Carter turned in the most number of new subscriptions to qualify for the watch. The above picture should have been in last week's issue, but the engraving was received a day late.

PIPER PATTEN

FOOTBALL—

his five yard line to the 37 from where they started their precision smooth drive to score. Moving 63 yards in 13 plays, the Piper score came on a 22 yard pass and run play from Van to Robert Pearce. Pearce kicked the ball between the uprights for what for a long time was the big point.

The Bulldogs picked up a first down on their 41 and then on fourth and two at the 49, gambled and lost as they failed to make but one yard.

Taking over on the Bulldog 49, Hamlin failed to gain but four yards and Van punted to the 15 with Stamford returning the ball to the 17. Picking up six first downs, the Bulldogs moved the ball to the Piper 26 before fumbling with Hamlin recovering on the 36.

Hamlin drove the ball back into Bulldog territory on runs by Larry Butler and Dan Newberry, the longest of which was 15 yards by Butler. With a first and 10 on the Bulldog 20, Hamlin fumbled with Stamford recovering. But Stamford fumbled on the next play and Curtis Payne recovered to give the Pipers the ball on the Bulldog 14. Butler gained one and Van was thrown for a seven yard loss but a 10 yard penalty put the ball on the 10 yard line. A pass by Dan fell incomplete and then on fourth down Van was thrown for a five yard loss.

Taking over on their 15, the Bulldogs moved to the Hamlin 29 before Butler intercepted a Bulldog pass to end the threat and the first half.

Coming back at the half, the Bulldogs drove 65 yards in seven plays to score from the one yard line. Going for two points the Bulldog pass try was knocked down and the Pipers held on to their lead, 7-6.

Following the kickoff the Pipers picked up two first downs in moving the ball to the Bulldog 37. An eight yard setback and an incomplete pass killed the drive and Van punted from the 41 to the nine yard line.

The Piper defense stiffened and the Bulldogs punted from their eight. Taking over on the 33, the Pipers failed to gain a first and again Van punted inside the 10 as the ball was put in play on the seven.

From this point the Bulldogs scored their winning touchdown as they drove 93 yards to score. The key play being a 27 yard pass play coming on a

third and six situation at their 42 yard line.

Trailing 13-7, the Pipers tried to take to the air from their 18 only to have Paul Rider intercept Van's pass and return it 27 yards for a score.

After the kickoff the Pipers picked two first downs before having Rider intercept another pass to kill the drive at the Bulldog 40. The Bulldogs ran one play as the game ended.

Top ball carrier for the night was Rider with 138 yards in 25 carries. High for the Pipers was Butler with 48 yards in 13 carries.

Defensive standouts would have to include almost the complete rosters of both teams as both teams played outstanding defensive ball.

New Social Worker Named for St. Ann Catholic Church

Newly appointed Youth Director and Social Worker in the St. Ann Catholic Church Parish is Miss Kathleen Virginia Layden. The parish includes the entire area of Jones and Haskell Counties.

A native of Oklahoma, Miss Layden is a graduate of Central High School in Muskogee, Oklahoma. She attended St. Mary College in Xavier, Kansas, and was graduated in 1960 with a Bachelor of Arts degree in English with a teaching certificate in English. Her minors were Education, French, Psychology and Counseling. During her Senior year she was voted the outstanding Catholic student. She did her student teaching in English and Counseling at Leavenworth High School, Leavenworth, Kansas.

In the St. Ann parish, Miss Layden works with four Catholic Youth Organizations in Anson, Haskell, Stamford and Hamlin. She is the Lay Counselor for these groups and for any teen-agers in the parish but not in the Youth Organizations.

Margaret Maberry was crowned Band Sweetheart for 1962 during halftime activities last Friday night.

Margaret is serving as the president of the High School band and has been a majorette for the last three years. She has been in the band seven years and plays the oboe. She has been a member of the FHA for three years. Margaret was also one of the four homecoming queen nominees this year and is stencil typist for the school paper.

A safety program was presented at Hamlin High last Thursday morning. Mr. Joe L. Smetana, Safety Director of the Texas Farm Bureau, and Officer White from the Texas Department of Public Safety presented the program.

"Death on the Highway," a film on traffic accidents was shown to the faculty and student body. After the film driving exhibitions were held in front of the school. Sunny Teague, Mark Smith, Mr. H. Williams, and Officer White took part in the demonstration. At 20 m.p.h., Sunny's total stopping distance was thirty feet and three inches, and Mark's stopping distance was thirty-three feet. Mr. Williams had a total of ninety feet and five inches at 30 m.p.h. At 40 m.p.h. Officer White's total stopping distance was 106 feet and three inches.

The Library Club met on Tuesday, October 16, at noon, to discuss the coming trip to the district meeting, which will be held in Throckmorton on October 27. The theme of the meeting will be "Travel With

Books," and the local club will enter the bulletin board contest using this theme.

Those planning to attend the meeting are: David Bingham, Lewis Lawlis, Jerry Cooper, Judy Jenkins, Ann Johnson, Nancy Ford, Johnnie Harbert, Mary Lois Patterson, Donna Prewitt, Marolyn Reynolds, Mary Margaret Turner, Carolyn Reynolds, and Mary Ann Elkins. The group will be accompanied by Mrs. Dewey Nunley, librarian and club advisor.

FHA members and their parents enjoyed a picnic Tuesday night in the city park. Each family brought food for the meal of hot dogs, potato salad, and brownies.

After the supper Anna Adams, secretary, called the roll and at this time each girl introduced her parents and received her yearbook.

The Hamlin Chapter of the Future Farmers of America met for their October meeting in the High School Auditorium. The purpose of the meeting was to initiate the Greenhands for the coming year. Thirty-four boys were initiated.

Last Saturday eleven Hamlin teachers attended the Seventh District English and Language Arts Workshop in Abilene on the Hardin-Simmons campus.

Those attending were: Mrs. J. B. Jayroe, Mrs. E. N. Jenkins, Mrs. Joe Lewis, Mrs. L. R. Fowler, Mrs. H. Williams, Mrs. F. F. Shout, Mrs. Charles Scott, Mrs. Dewey Nunley, Mrs. Joe Norton, Miss Maggie Seymore, and Miss Odean Murphree.

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coiled spring independent front suspension—easier on truck, load and driver.

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'ah) Peninsula?

This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

DESTINATION?

Postal employees do their best to interpret accurately the addresses written on our mail. However, some are so hastily written, and so poorly addressed that they may never reach their intended destination. A good many people go hastily through life, not realizing that they are headed in the wrong direction. The church points the way to salvation and desires that all should choose the way of our Lord and Saviour.

TAKE TIME FOR THE LORD
ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SCHOOL:

The Old Glory Basketball teams played two games last week winning one from Peacock and losing one to Avoca. The Peacock scores were: Girls 73 to 14 and Boys 48 to 30. Their game was played at Old Glory. The Avoca game played on their court, resulted in their victory--Girls 44 to 50 and Boys 47 to 61. High scorers in the game with Peacock was Beverly Garner with 26 and Kenny Spitzer with 15 points. In the Avoca game, Sharon Leverett with 21 and Donald Boles with 17. Next scheduled games are with Noodle here, October 23 and Peacock there, October 26.

Kenny Spitzer suffered a chipped hip bone in the first

game of the season against Peacock. He is navigating on crutches and recovering rapidly.

During P. E. class on Wednesday, Helen Lovack sprained her ankle and she is also on crutches.

Mrs. Eddie Matthews was out of school for three days last week with a back ailment. Her husband substituted in the 3rd and 4th grade room for her.

Testing of various types and for various groups went on all last week and has continued into this week under the direction of Superintendent V. R. Leverett. Monday and Wednesday the 7 graders were tested on Educational Development and Achievement. Thursday and

Friday the 9th graders were tested on Educational Development and Achievement. The Seniors and two Juniors took a PSAT test on Tuesday.

Average on six weeks tests were as follows: Freshmen, 80; Sophomores, 92; Juniors, 80; and Seniors, 89.

4-H:

The Old Glory Girls' 4-H Club met in regular session on October 15. There were 11 members, 1 associate member, and 2 adult leaders present with Mrs. Betty Letz as guest. Billie Vahlenkamp opened the meeting and Brenda Palmer led the motto, pledge and prayer. Donna Pierce read the minutes of the last meeting and called the roll. The girls are making posters to represent the theme of the month, Sharon Leverett and Judy White volunteered to make the next poster on Future Farmers of America. The meeting was then turned over to Rita Baldree and Reva Letz, who gave a talk on Frozen Foods. Stephanie Letz led the games and Reva Letz led songs. Refreshments served were: punch, sandwiches, and ice cream.

Mr. Truette Hennig, County Agricultural Agent, accompanied by Donna Pierce, Carolyn Sanders, Sharon Leverett, and Stanley Diers were in Vernon Saturday where they assisted in the scoring of Junior Record Books on district level. Stonewall county had 57 books in the competition. Senior record books were scored in August.

Members of the Old Glory Junior Leaders 4-H Club met recently to discuss plans for the County Achievement Banquet to be held in Aspermont on November 12. The group will meet again on October 26.

PERSONALS:

Mrs. Paul Sander and daughters Carolyn and Judy were in Dallas last week where they took in the State Fair and also shopped. The most enjoyable thing, they reported, was the ice capades.

Mrs. T. E. Beil attended a Sunday School class social at Aspermont.

Mrs. Carr spent four days with Mrs. Bill Ivy and Mrs. J. R. Alexander of Abilene. Mr. and Mrs. Jim Cummings of Bowie brought Mrs. George Thomas of O'Brien down to spend the day with Mrs. H. E. Carr. Mr. Jim Cummings is Mr. Carr's brother whom she had not seen in eight years. Mr. and Mrs. Bill Ivy of Abilene spent the day with Mrs. Carr Sunday. Mrs. Lewis Strickland, Karan Jean and Jack Strickland of Aspermont spent the day with Mrs. Carr also.

Mrs. J. F. Newman spent the day with her son and his wife, Mr. and Mrs. Mack Newman of Abilene.

Mr. and Mrs. Oscar Mahan and children of Mineral Wells, spent the weekend with Mr. and Mrs. J. E. Flow.

The Willie Roberts and fam-

ily of Montague spent the weekend with Mr. and Mrs. Allen Letz.

Mr. and Mrs. Virgil Vahlenkamp visited Mr. and Mrs. Herbert Vahlenkamp. Mr. Virgil Vahlenkamp is the brother of Herbert Vahlenkamp. Marvin and Nancy Vahlenkamp and Danny Lammert went to Slatten over the weekend to attend a district Lutheran League Meeting.

Mr. and Mrs. T. E. Pritchard were in Weatherford over the weekend for a visit with his parents.

Mr. and Mrs. Dalton Gill were in Lubbock over the weekend to visit his sister who has recently had surgery.

Mr. and Mrs. W. H. Vahlenkamp and Billie Ann accompanied by Mr. T. J. Lowack of Sagerton, Mr. and Mrs. Earnest Lowack and Helen, and Mr. and Mrs. Werner Teichelman of Sagerton journeyed to Austin to attend the celebration of the 25th wedding anniversary of Mr. and Mrs. Harold Becker. The guests were served barbecue in the back yard. Games were enjoyed by all.

Mrs. C. B. Price of Pittsburg, Texas is staying with her daughter and family, Mr. and Mrs. L. B. Boles.

The St. Paul's Lutheran Church's Luther League is having a home-made bread bake sale at Stamford in front of McDonalds, starting at 9:00 a.m. on October 27. All Come!

LABORATORY FOR ELECTRICAL POWER

West Texas Utilities Company maintains a laboratory and a full time chemist in each of the power plants to check the chemical content of water used by WTU. Chemical content of the water helps to determine the frequency of equipment overhauls.

Boilers, turbine blading, cylinders, piping, steam inlet valves, condensers, water pumps, and much other operational equipment is impaired by chemicals in the water. Close laboratory control of water conditions can prevent equipment breakdown before it happens. This is just one of the many maintenance procedures by WTU to assure you a continual flow of electrical power.

WOMEN'S CLUBS HEAR ACCOUNT OF TEX MOORE'S LIFE FRIDAY

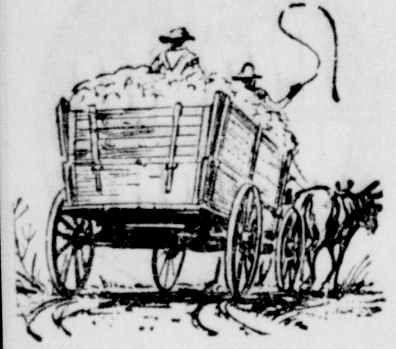

Members of the Fifty-two Study Club were guests of the Women's Literary Club at their meeting Friday afternoon in the home of Mrs. J. W. McCrary. Mrs. Carl Murrell, president presided.

Mrs. McCrary, program director introduced Mrs. Jack Vaughan of the Fifty-two Study Club, who gave an interesting account of Tex Moore's life. The late Mr. Moore, a Hamlin resident during the early 1940's, was a famous western artist and a cowboy in the truest sense of the word. His mother died when he was 14 and he left home for the west at the age of 15. He worked on ranches and began to paint for a past time. He painted his last picture at the age of 83. In 1935 he was given the title of Official Cowboy Artist of Texas. He also wrote two books and played the violin.

Mr. Moore's name is being placed in nomination to the National Cowboy Hall of Fame and Western Heritage Center by the Federated women's clubs in this area. A film showing the National Cowboy Hall of Fame which is located on Highway 66 near Oklahoma City was shown to the group.

Mrs. R. D. Moore presented a map of Texas, Oklahoma, and New Mexico with brands of all cattlemen shown on each ranch.

Remember When?

Fall meant the rumble of cotton wagons—and mules at the city water troughs? Since those days—BUT'S, in Stamford, has served the farmers of West Texas. Come See us.

SAVE MOTHER'S TIME, ENERGY AND DISPOSITION

Personal extension phones bring the calls to her, where she is—kitchen, bedroom or family living area. Save her steps, actually help her do two things at once (call the cleaner while she looks after baby). At night she enjoys the security, privacy and peace of mind of a phone at her bedside. And personal extension phones come in colors to suit every mother's good taste.

Who needs extension phone service most?
Families that make or receive five or more calls a day.
Families with one or more members active in school, church, civic or club work.
Families with active, popular teenagers or young adults.
If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models—call the telephone business office, or ask any telephone serviceman. Why not order yours today?

Hamlin Women Attend District B&PW Conference

The District Conference of Texas Federation of Business and Professional Women's Clubs, Inc. was held in Stamford Saturday and Sunday with several members of the Hamlin B&PW Club in attendance.

Theme for the conference was "The Future is Yours." The president's banquet in the Cliff House was followed by a fun hour when each club presented a short skit or talk. Mrs. Ned Moore presented a "Word Picture of a Modern American Woman."

Others attending the Saturday night session included Viola Avants, Lennie Greenway, Mrs. Melvin Scott, Mrs. W. B. Britton, and her guest, her daughter, Mrs. Betty Biggs of San Antonio.

Mrs. Scott led the Pledge to the Flag during the banquet program.

Attending the Sunday morning workshops were Viola Avants, Lennie Greenway, Mrs. Rudy Hamric and Mrs. Melvin Scott. The Hamlin club was responsible for the program division of the workshop. Miss Avants participated in the round table discussion.

She also explained a display of branding irons from surrounding ranches.

The group sang "Home on the Range" and "The Yellow Rose of Texas" as a part of the program.

An exhibit showing many of Tex Moore's paintings was displayed.

HD COUNCIL MAKES PLANS FOR ANNUAL CHRISTMAS PARTY

Twenty-one members, four visitors and all clubs were represented when council for the Jones County Home Demonstration clubs met in Anson, Wednesday, October 17, Mrs. H. H. Windham presiding.

Recreation was led by Mrs. Dunklin, followed by the usual order of business. It being October, all yearly reports were given, this included many worthy things that the clubs have participated in, besides the business of their meetings. These included gifts to hospitals, state schools, donations to cancer and polio drives, honoring older people, aiding distressed families, and other things too numerous to mention.

Mrs. Carl Bonneaux took over her duties as new T.H.D.A. chairman. The new rules call for the chairman to serve until the first of the year, instead

of after the State Meeting, as practiced until now, but for personal reasons Mrs. Noel Weaver asked Mrs. Bonneaux to begin serving at this time. Mrs. Bonneaux read the changes in the constitution, which were made at the State meeting, stating that the fiscal year will begin January 1 so that the T.H.D.A. can be declared a tax free organization.

The Annual Christmas party will be held at the oil mill guest house in Hamlin, Thursday, December 13, if the building can be used at that date. Mrs. Dunklin, recreation chairman will work up the program this year, also be responsible for their recreation.

A gift exchange will be made as usual, each one attending bringing a gift of at least one dollar value, and not exceeding that within reason. The gifts will not be brought to the Christmas party this year for the State School, as the School has asked that all gifts will have reached them by the middle of November, so each club will be responsible for sending their gifts to the School.

The new officers, the president and council delegate, of each club are to attend council in November, to get acquainted with council procedure.

The 4H Achievement Banquet will be held in Anson, Monday, November 5. The district Gold Star Banquet will be held Nov. 14 at the KRBC television studio.

All club members are asked to not forget to attend the training meeting in Anson, November 7, in one of the court rooms, to be conducted by Miss Bonnie Cox, organizational specialist from A&M College. All new officers and committee chairmen should be in attendance, as well as all other club members.

Yoor Friends Will Soon Be Asking "WHERE DID YOU FINISH IN THE RACE?"

They saw you in the "break away" at the start of the race; they watched you during the prolonged "jockeying" around the track; they held their breath expectantly "at The turn," and They stood loyally as you "came down the stretch"...

... and now, as the "finish line" looms in sight, hundreds of your friends throughout this area are "rooting" for your success, while literally thousands of others are up on their feet cheering enthusiastically as the final outcome hangs in the balance. To live up to expectations of these admiring friends and well

wishers, you must do your very best from now on in. Present indications point to a whirlwind finish, and it is reasonably sure that the winning votes will run into large figures. It would be better to win the prize you most desire by a large margin than to lose it by a mere handful of "full-limit" subscriptions.

AIRVIEW NEWS

By MRS. ELMER JOINER

Ideal fall weather was order of the day this Monday morning. Over an inch of rain fell early Saturday morning, followed by clear skies and nice, cool weather. This will hinder cotton pulling for a few days, so those planning to sow wheat.

Several misfortunes in our community, cut our attendance at church Sunday and Sunday night. We are sorry to report that two of our families lost loved ones over the weekend.

Joe Ford lost a brother, who died in a Fort Worth hospital, Saturday morning at 8 o'clock. Josh Ford was a resident of Saginaw, Texas and funeral services will be held there Monday morning at 10.

Mr. and Mrs. Woodrow Godwin and Linda, went to Crosbyton, Texas, Sunday morning, to be with his sister, Mrs. B. C. Hale, whose husband passed away about midnight Saturday night. Funeral services for Mr. Hale will be held Monday at 2:30 p.m. in Crosbyton. The Hales are former residents of Jones County.

Mrs. E. A. Henry made the headlines again this week in a different way. It seems that she ran into a ditch in her car and twisted her back, so she was unable to attend church Sunday. Damage to the car was minor and Mrs. Henry was not seriously hurt, just painful.

Joe Ford is on the sick list, he is reported to have the flu.

The pastor and family took dinner with Mr. and Mrs. Mel Jones Sunday.

Mr. and Mrs. Fred Rosenbaum ate lunch with the H. L. Ford family Sunday.

Jack Wright attended a zone service meeting in Sweetwater last Wednesday night, as representative of Carl Murrell Chevrolet Company. He took part in a technicians test, of which the winners will get a steak supper.

Mr. and Mrs. Raleigh Bond visited with Mr. and Mrs. Flavil Holmes last Friday night.

Mrs. O. L. Jenkins and Mrs. Johnnie Agnew visited with Mrs. Winslow Gray last Wednesday afternoon.

Mr. and Mrs. Bob Rosario, Ginger and Sherry, visited with Mr. and Mrs. Jack Wright and Melinda, Monday night.

Mr. and Mrs. Flavil Holmes and Rev. Derral Lewis went to see Mr. and Mrs. Joe Ford on Sunday afternoon.

The Ruth Sunday School class will meet Friday night for their secret party, in the home of Mrs. Flavil Holmes. Mrs. Bill Newland and Mrs. Holmes are the teachers. Mrs. Newland works at the hospital, and can be there only occasionally, so in her absence, Mrs. Holmes teaches. All members and associate members are urged to attend the party.

Mrs. Elmer Joiner attended the monthly council meeting in Anson last Wednesday, of the Home Demonstration Clubs.

Mr. and Mrs. Mel Jones went to Stamford Sunday afternoon to see Mr. Newman Jones.

Several farmers out our way were happy to see some wheat

and maize checks begin to come in. These are for the diverted acres, and had been looked for longingly, for some time. The farmer has to get paid for everything to make a living, now when the government starts to paying them to go to town and for their coffee, they will have it made. All joking aside, they have to work very hard to make a living any more and with all the restrictions placed on what we can raise we have to have those little government checks to stay in business.

40 Years Ago—

Rev. G. H. Gattis returned Monday from the Annual Conference at Quana. It will not only be glad news to his own members of the Methodist Church but also to all other persons to learn that Rev. Gattis has been assigned Hamlin again.

As was announced, the Workman Dry Goods Co. gave away \$50.00 in bills on Saturday, November 4. The house was filled with people who were hoping that each of them would be the lucky one.

The American Red Cross is engaged at present on a campaign to teach accident prevention and first-aid to the injured to the men, women and children in the United States, with the idea of making every individual his own first-aid agency in case of emergency, and to create volunteer forces of men qualified for such duty in case of war, if war should come again to this country.

25 Years Ago—

Ten or 12 huge warehouse are filled with cotton in Hamlin as the city has become a concentration point for the staple of this area. Hamlin Compress is processing hundreds of bales a day for reshipment to gulf points and other points.

for so long and then get beat, but this can only be accounted for by the superior depth of the Bulldogs.

There seemed to be very little difference between the two starting units.

Like most of the Hamlin fans I was completely surprised at the end of the game to find that the Bulldogs dominated the statistics the way that they did.

Without looking at my records I would have thought that the yards gained would be about even rather than so one sided.

Although it was the kind of game that you hate to lose, no one could find a Hamlin player that didn't do the very best he could on every play. The boys showed that they were in top condition, well coached and full of desire but there were just not enough of them.
